

How to add The Parent Academy App to your iPhone

Type in the address:

<https://login.yourschoolapp.biz/m/ParentAcademyMiami/>

Or use your iPhone camera to point at this QR code and open the link in Safari browser

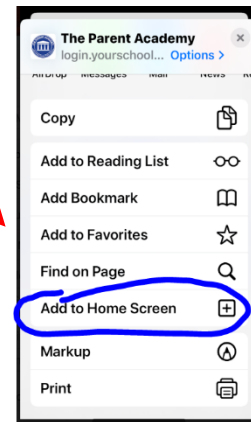

You don't need to take a picture

Tap on square with arrow pointing up

Scroll to and click on "Add to Home Screen"

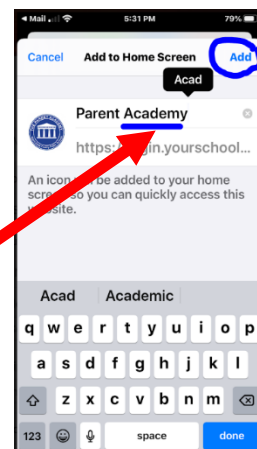

Then scroll down until you see "Parent Acad"

You may wish to type the complete name
"The Parent Academy"

Click on **Add** top right

The app will appear on your home screen

How to add The Parent Academy App to an Android Phone

After getting to the web address, tap on the square with arrow pointing down.

A comment will appear asking
“Install this website as a web app on your Apps screen?”

Click “Install”

Now you can easily access The Parent Academy App any time!
